Introduction

Welcome to the Finish Strong series.

As a former elite sprinter, Canadian National Team athlete, and coach, I know exactly what it feels like to stand on the starting line with the weight of the world on your shoulders. I know the sting of setbacks, the grind of daily discipline, and the pressure to perform at a world-class level.

But I also know the power of resilience, faith, and elite mental fortitude.

These materials are designed for you—the elite student-athlete navigating high-stakes environments, million-dollar NIL landscapes, global media scrutiny, and the immense pressure of expectation.

Over the course of this journey, we will always stay grounded in **The 10 F's**: Faith, Family, Finances, Future, Focus, Fundamentals, Fitness, Fortitude, Friends, and Fun. These pillars are the foundation of your identity, your brand equity, and your purpose beyond the scoreboard. My message to you is simple: no matter how the race begins, you have the power to Finish Strong.

Take time to reflect, prepare, and dominate using the 10 F's framework. You are more than an athlete; you are a global enterprise and a leader.

Finish Strong,

Lornette Daye
