Introduction from Lornette Daye

Welcome to the Finish Strong series.

As a former elite sprinter, Canadian National Team athlete, and coach, I know exactly what it feels like to stand on the starting line with the weight of the world on your shoulders. I know the sting of setbacks, the grind of daily discipline, and the pressure to perform.

But I also know the power of resilience, faith, and mental fortitude.

These materials are designed for you—the student-athlete who is navigating the complexities of sports, academics, and life. Over the course of this journey, we will focus on building your identity, courage, and purpose beyond the scoreboard. My message to you is simple: no matter how the race begins, you have the power to Finish Strong.

Take time to reflect, prepare, and grow. You are more than an athlete.

Finish Strong,

Lornette Daye

Support-Circle Worksheet

You do not have to carry the weight alone. Identify your support system.

Who helps me separate my identity from my sport?

Who is a professional resource (counselor/sports psych) I can contact?

Self-Compassion Worksheet

We are often our own harshest critics. Rewrite your internal narrative.

Harsh Thought I frequently have:

How I would respond if a teammate said that about themselves:

My new self-compassionate thought:
