Introduction from Lornette Daye

Welcome to the Finish Strong series.

As a former elite sprinter, Canadian National Team athlete, and coach, I know exactly what it feels like to stand on the starting line with the weight of the world on your shoulders. I know the sting of setbacks, the grind of daily discipline, and the pressure to perform at a world-class level.

But I also know the power of resilience, faith, and elite mental fortitude.

These materials are designed for you—the elite student-athlete navigating high-stakes environments, million-dollar NIL landscapes, global media scrutiny, and the immense pressure of expectation. Over the course of this journey, we will focus on building your identity, your brand equity, and your purpose beyond the scoreboard. My message to you is simple: no matter how the race begins, you have the power to Finish Strong.

Take time to reflect, prepare, and dominate. You are more than an athlete; you are a global enterprise and a leader.

Finish Strong,

Lornette Daye

The Architecture of Greatness

You do not rise to the level of your goals; you fall to the level of your systems. This 30-day planner is not for tracking your workouts. It is for auditing your brand, managing your mental load, and executing on high-leverage opportunities.

REAL WORLD FACT:

Billion-dollar executives and top-tier athletes share one behavioral trait: time-blocking. Research indicates that dedicating 90 minutes to uninterrupted, deep strategic work yields a 500% increase in productivity compared to fragmented multitasking.
